OBJECTIVE

Data Analyst & BI professional with 3+ years of experience turning complex data into actionable insights. Skilled in building dashboards, uncovering trends, and driving data-backed strategies. Proven track record of delivering business impact through analytics. Seeking a data-focused role to grow expertise and enable smarter decisions.

TECHNICAL SKILLS

- **Data Visualization & BI**: Power BI, Tableau, KPI Dashboards, Custom Visuals, Slicers & Drillthroughs
- **Data Analysis & Reporting**: Microsoft Excel (Pivot Tables, VLOOKUP, XLOOKUP, INDEX-MATCH, Power Query), Time Intelligence, DAX, Data Storytelling
- **Database Management**: SQL (Joins, CTEs, Window Functions), SQL Server, MySQL
- **ETL & Data Wrangling**: Power Query, Data Cleansing, Data Transformation
- **Tools & Collaboration**: Microsoft PowerPoint, Google Sheets

WORK EXPERIENCE

Program Support Coordinator/Data Analyst, AnalytixCamp   December 2024 - June 2025

- Bridged communication between students & academic staff to ensure smooth coordination and support.
- Handled class scheduling and academic calendars and resolved student queries promptly.
- Monitored student progress and kept academic records up to date. Helped run workshops and
- events while also guiding prospective students on program options.
- Cleaned and analyzed data using Excel and SQL; built Power BI dashboards to share key business insights.

Junior Data Analyst, Easa Business Group, Hyderabad   November 2022 - December 2024

- Gather and analyze data from multiple sources to identify trends, patterns, and business opportunities.
- Write and optimize SQL queries to manage databases and ensure clean, accurate data.
- Build interactive dashboards and performance reports using Power BI and Excel.
- Translate complex data into clear visuals and insights that support decision-making.
- Maintain data accuracy, consistency, and quality across all analytical tasks.

Educational Data Specialist, The Mentors Academy, Hyderabad   April 2021 - May 2022

- Analyzing student performance data to identify trends.
- Managing and maintaining academic databases.
- Creating reports and visualizations for decision-making.
- Supporting educators with data-driven insights for program improvements.

Data Management Clerk, LUMHS Jamshoro/ Hyderabad   March 2019 - January 2021

- Accurately entering and updating patient data in the hospital's database.
- Organizing and retrieving medical records for healthcare staff as needed.
- Ensuring data accuracy and confidentiality in compliance with hospital policies.
- Generating and preparing reports related to patient and hospital data.

EDUCATION

Bachelor of Commerce (B.COM)   2016 - 2018
University of Sindh Jamshoro
